

Dear Families,

This year we are using the Seesaw app to share work and to communicate with our families and schools. Your child's school will post to Seesaw to share their learning with the outreach team and also with you parents. I'll also use Seesaw to send you messages and reminders. Seesaw is private; you'll only see posts created by your child. In addition your child's work will only be seen by the teachers/1:1's working with your child and the members of the outreach team who are supporting you child. As with the permission form for outreach support, information will also be shared by the commissioning body (Lincolnshire County Council)

The purpose of using Seesaw is to provide more regular, ongoing support for your child. It will also provide evidence for us to show that progress is being made.

Please indicate if you are happy for (Please tick where appropriate):

- a) Your child's work to be shared
- b) Pictures/videos of your pupil working.
- c) Both of the above

Once you have agreed to this, we will send you a parental invite. You can view the work on a computer or using the app, available on most smart device.

Regards,

Carla Nicholson

LCC PD Outreach

I _____

give permission for my child _____'s work to be shared between my child's school and the PD Outreach via the Seesaw app, team in order to receive ongoing support and track progress.

I am happy to share (tick where appropriate)

- d) Your child's work to be shared
