Training

St Francis School works alongside Bishop Grosseteste to provide outstanding training, care, guidance and support throughout your School Direct Programme.

Training is provided by Bishop Grosseteste. This provides ample opportunities for all trainees to visit other local schools and meet many Outstanding teachers.

A Statement from one of our trainees: *“The School Direct Programme is a great route into teaching, particularly if you learn best through practical experiences. You can gain so much more experience than any ordinary university placement. The help and support that the school has provided is exceptional and I have learnt so much from the staff and pupils”*
