O

is for the opportunities you will have to prepare you for adulthood

U

is for understanding what you are good at

R

is for reflecting on your achievements

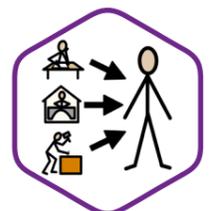

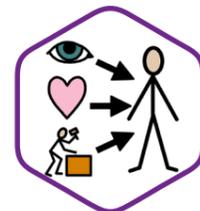

N

is for nurturing your talents to succeed

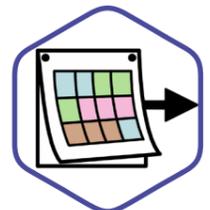

E

is for experiences you will have of the workplace

Y

is for your next steps and what you would like to happen in the future

S

is for the amazing skills you will learn along the way

Pre-Formal & Informal Learning Journey

Learners following a Pre-Formal and Informal Curriculum Pathway will have opportunities to 'experience' and 'engage' within career related learning, by taking part in activities that will help enrich their lives.

about you

achieve your goals

Local community visits

Making links with local schools

Meeting new people

Feeling a part of, and belonging to, their local community

Supporting local charities & businesses

Wider range of experiences

Exposure to different vocational services

Semi-Formal Learning Journey

Learners following a Semi-Formal Curriculum Pathway will 'participate' in Careers related learning, utilising work-related experiences and opportunities to further develop their independent living and social skill sets.

about you

achieve your goals

Asking questions

Meeting new people

Community visits

Experiencing a range of jobs

Vocational profiles

Exploring individual strengths

Formal Learners Journey

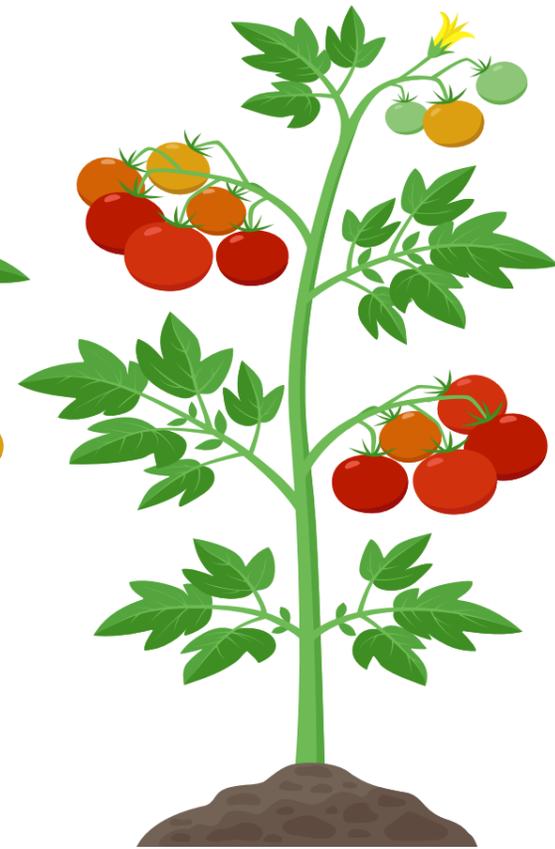

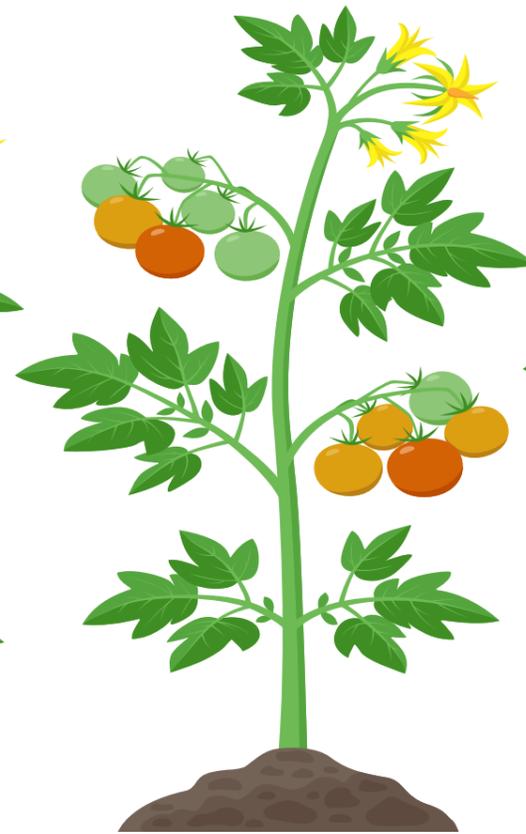

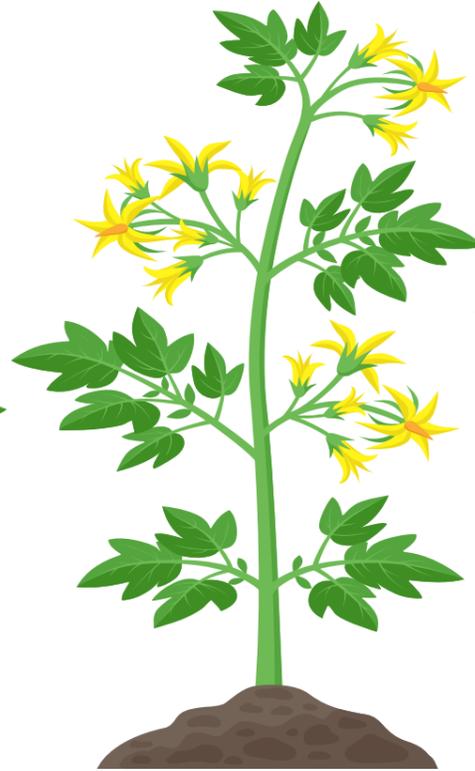

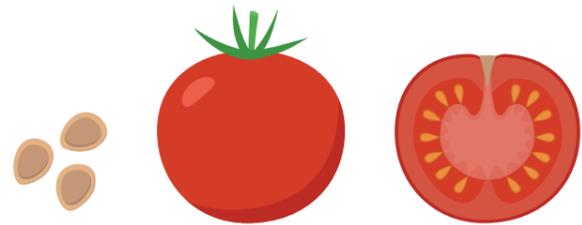

about you

achieve your goals

Learners following a Formal Curriculum Pathway will focus on the process of 'what next and how'. With targeted support, learners will apply themselves in activities to further improve their work-related skills, helping to identify appropriate career pathways and setting them on their journey to obtain a form of employment.

Profiling

Careers lessons & guidance

Team building

Mock interviews

Meet employers
