

Newsletter

June

Dear parents/carers

Welcome to another addition of our St Francis Newsletter. We hope you enjoy reading about all the wonderful things our students get up to across school. We are very proud of all our students' achievements and will aim to showcase as many wow moments as possible. Whole school event days/celebrations will be noted termly in the key dates section on page two to give you advanced notice.

Upper School

Upper school continued with their holiday topic in their communication sessions. Sophie decided what she would take with her in her suitcase if she went somewhere hot. She made great choices and told Sam where she wanted everything placed in the suitcase. Sunglasses on top and sliders at the bottom. Annie made great choices deciding she would like to take sausages, and Jack said he wanted to take his mate Sarah!

Reece took pride in being chief ice-cream person.
He took all the orders and made the ice creams!

Pre-Formal/Informal

Our newest pupil to school, Kayden is settling in fantastically in Charlotte's class. He has learnt to access a range of new equipment. This week he has done brilliantly using the eye-gaze and standing for 30 mins in his stander.

Becky's class always enjoy their weekly rebound sessions with Charlotte. They are all making great progress towards their physio targets. Kairi is doing some fab standing.

Tina's class had a great session outside with the parachute working on their physical and social skills.

Vicky's class had an amazing summer themed week trying out loads of different activities. In active learning they enjoyed creating a lemonade stand and serving and enjoying ice creams in their parlour.

Semi-Formal

Sandra's class enjoyed having a pamper day. Pupils enjoyed activities such as nail painting, hair styling and foot massages.

Kirsty organised a carousel of art activities in the main hall to enable Semi-Formal learners to contribute to an art project which will be on show at Whisby Nature reserve during the summer holidays. The pupils had fun recreating lots of bugs and insects to decorate the tree sculpture.

Other News/Celebrations

Students in St Francis School's upper area enjoyed a visit to Abbey Access Training at the Arboretum, it was a chance to learn about potential careers, but an even better opportunity to fill tummies! The students had a walk through the Arboretum and enjoyed a delicious lunch provided by the team, not one crumb remained.

More importantly, it was an opportunity to learn about the facility and the wonderful things that they offer young people in Lincolnshire. The young people went home stuffed and very impressed with what they saw, with a few now eyeing a career in catering - and potentially some Abbey Access training.
